Description

The Defender Phone 1 for Mobile Alert is a mobile phone pre-loaded with the Pinpoint Mobile Alert app. The app is designed to work in harmony with the existing Pinpoint System and notifies you of alarm and maintenance calls on your Pinpoint System - these can be received anywhere as long as you have a data signal. In addition, calls from several different systems can be received simultaneously, with an option to see an up-to-date overview of what is going on around you.

In order to restrict the use of the phone, the Pinpoint Launcher has been installed in tandem with "LockApp". This means that the phone can only be used to access Pinpoint Mobile Alert. Any other attempt to access apps will request a PIN. You will need this PIN to access the settings and complete the initial setup of the phone. The LockApp PIN is "1111", however this should be changed to a more secure code.

Handset Size:	131mm x 70.8mm x 22mm	**RAM:**	1GB
Weight:	235g	**ROM:**	3GB
Toughness:	IP68 Certified & Military Spec 810G	**Ext Memory:**	MicroSD Card - Up to 32GB
Screen:	Asahi Toughened Glass, IPS 4" FWVGA 854x480	**Battery:**	2600mAh (10 hours talk time, 2 weeks standby)
Connectivity:	WCDMA/GSM	**GPS Chipset:**	GPS: support A-GPS
Bands:	2G: GSM 850/900/1800/1900 3G: WCDMA 850/2100MHz	**Sensors:**	G-sensor, light sensor, range sensor, compass, air-pressure
Dual Sim:	SIM 1=2G + 3G, SIM 2=2G only	**Radio Freq:**	PMR 446MHz two way radio
Speeds:	HSDPA: 7.2Mbps / HSUPA: 5.76Mbps WLAN WIFI/IEEE 802.11 n/b/g	**Camera Spec:**	Rear 8MP, Front 0.3MP, LED Flash, 2592 x 1944 Image.
Bluetooth:	Bluetooth 4.0	**Video Formats:**	MP4/3G/MOV/MPEG/MKV/FLV
OS:	Android OS 4.4 KitKat	**Audio Formats:**	MP3/AMR/AAC/ASF/Ape/Fla
NFC Chipset:	MT6605	**Image Formats:**	JPEG/PNG/GIF/BMP
CPU:	MTK6582 1.3GHz Quad Core
